SCENARIO 1: You tested positive for COVID-19.
Regardless of your vaccination status and regardless of whether or not you have symptoms.

STAY HOME AND SELF-ISOLATE.
- Do not go to work or class for 5 days since your symptoms started, 5 days since your test date (if you have no symptoms), or as instructed by a contact tracer.
- Submit a COVID Notification Form if you did not get your test result from the UW Husky Coronavirus Testing Program.

ENTER YOUR WA NOTIFY PIN.
Your contact tracer will give you a PIN number to enter in your mobile device to confidentially alert close contacts.

WEAR A MASK.
Wear a well-fitting surgical mask or KF94/KN95/N95 when around others at home and in public.

COMPLETE THE ELECTRONIC SURVEY.
The COVID-19 Response and Prevention Team will send you a link to a health survey prior to the end of your isolation period.

SCENARIO 2: You were in close contact with an individual who tested positive for COVID-19.

Are current on COVID-19 vaccination and booster doses?

YES
- Do you have symptoms?
  YES
  - Stay Home and Notify covidehc@uw.edu.
  - Get Tested at Least 5 Days After Exposure (in some cases).
