

## Temporary Extension Request - COVID-19 Vaccine

Dear Health Sciences Student,

Students are required to be up to date on COVID-19 vaccination by 10/30/2023. This requirement includes the COVID-19 updated 2023-2024 (monovalent, XBB containing) vaccine.

A temporary extension for the updated COVID-19 vaccine requirement will be granted for up to 90 days following a recent COVID-19 infection. By completing and signing this form, students are attesting to their positive COVID-19 testing date. HSIP reserves the right to request COVID-19 testing results to confirm the information provided on this form. Suspected falsification of information is grounds for disciplinary action and will be referred to the student conduct office.

Schools/programs are notified if students have not met immunization requirements.
