**SAFETY MEASURE** | **REQUIREMENT/RECOMMENDATION** | **MORE INFORMATION**
--- | --- | ---
COVID-19 Prevention Plan | Units are required to review University COVID-19 Health and Safety Plan with personnel upon hire as part of their Accident Prevention Plan/new employee orientation. | University COVID-19 Health and Safety Plan
COVID-19 training | Required for personnel: Initial training is required, annual training is recommended. Content will be updated in Summer 2023. | COVID-19 Safety Training
Face coverings | • In settings where facemasks are *not* required, face coverings are *optional*, and recommended for those at high risk for severe illness.  
• *Required* after exposure (for 10 days after exposure).  
• *Required* during and after COVID-19 illness (for 10 days after start of illness).  
• *Required* in higher risk patient care settings and on shuttles serving Fred Hutchinson Cancer Center. | UW Face Covering Policy
Isolation | Stay home and away from others after testing positive or while experiencing symptoms. Follow the flowchart instructions if you have symptoms, exposure or test positive. | Public Health Flowchart Case & Exposure Guidance
Reporting a positive test result | • UW students and personnel are no longer required to report all positive test results to EH&S.  
• Personnel who believe they have contracted COVID-19 while at work are asked to submit an OARS report.  
• Supervisors who suspect an outbreak of COVID-19 in their workforce (>10% out sick) are asked to contact EH&S via covidehc@uw.edu. | Public Health Flowchart
Symptom monitoring | Self-monitoring for symptoms required daily (no reporting); stay home, do not come to work or class, and follow instructions on flowchart if you experience symptoms. | Public Health Flowchart
Testing | • Test if symptoms develop and if you are exposed.  
• Test before or upon returning to the UW after academic breaks.  
• Test before and after a large social event or gathering.  
• Test as part of overnight activities/programs. | Rapid antigen COVID-19 tests (no cost) are available on campus.
Vaccination | Being up-to-date on COVID-19 vaccination is strongly encouraged for all UW personnel and students. | UW COVID-19 Health and Safety Guidance

The [COVID-19 Health and Safety](https://www.ehs.washington.edu) webpage provides additional information and resources.
